JUBILEE SERVICES TAKES PLACE HERE

Anderson Knights of Pythias To Celebrate the Founding of This Great Order

Throughout the United States Thursday, Feb. 19, will be a great day with the Knights of Pythias, this being the day appointed for the golden jubilee, to be held in celebration of the founding of the order.

Every lodge of the K. of P. in the entire country will on that day hold special services and throughout the country some of the nation's most distinguished men will participate. The greatest celebration is to be held at Washington, at which time the President of the United States will deliver an address, as will Hon. Josephus Daniels, secretary of the navy, and other members of the cabinet.

In Anderson great preparations are being made fittingly to commemorate the occasion. Special ritualistic services will take place, a number of distinguished speakers of the local lodge and from other cities will deliver addresses, and Chiquola lodge, No. 32, will do itself proud. This lodge has a membership of about 300 and present indications are that they will all be in attendance for the special service to be held here. Two or three candidates for the second rank will be on hand at this special meeting and this fact, together with the smoker which is to take place on the same evening, will positively assure a large attendance.

The following is in part the proclamation which has been sent out to the lodges all over the country by the Supreme Chancellor: Greeting:—Among the marvelous achievements that, during the past half-century, have signified the progress of the world, none have been more significant, and at the same time, more beneficial to mankind, than the development of fraternity among men—teaching lessons which inspire manhood at its highest and best, to nobler efforts in the direction of making this good, old world, brighter and better.

In the broad field of fraternal endeavor, no institution has been lauded with grander achievements, or has attained to a more glorious fruition, than has the Order of Knights of Pythias—whose golden escutcheon is proudly borne upon a million breasts, and whose mission and influence for good has enshrined the hearts and homes of hundreds of thousands of earnest men during the half-century of its existence. The career and progress of Pythian Knighthood, truly and indeed, has been the marvel of the world's greatest "fraternal age" and its mission of "Peace on Earth, Good Will to Men," stands pre-eminent, at this the noonday of civilization, in the annals of fraternal endeavor.

Golden Jubilee. In honor of the semi-centennial of the founding of this order—our golden jubilee epoch—it is exceedingly appropriate that we give earnest of our fraternal pride and gratification, by fittingly commemorating the most important milestones thus far in the life of Pythian Knighthood—and that, upon this golden anniversary, we pledge anew our love and loyalty to the exalted principles of friendship, charity and benevolence, by testifying that the eternal truths upon which this order is founded, are firmly established in the hearts of our membership, and also in the respect and appreciation of a grateful people, who are familiar with the Pythian contributions for the betterment and happiness of the world.

WOODMEN WILL MAKE MERRY

Local Camp to Have Splendid Spread at the Park on Thursday, the 19th

Anderson men who hold membership in the Willow Camp of the Woodmen of the World, are looking forward to a splendid banquet which will be held on Thursday, the 19th.

All plans for the banquet have been placed in the hands of the Civic Association, and Mrs. Rufus Fant, the president of that organization, says that the banquet will be one of the most elaborate ever served in Anderson. Tickets are now selling for \$1.00 each.

The complete program for this happy occasion has not yet been announced, but it is understood that some of the most prominent speakers in South Carolina will be in Anderson to deliver addresses. The only local speaker that has been announced is Gen. M. A. Bonham, who will talk on Woodcraft, and the fact alone is sufficient to draw many to the feast. Other speakers who will be present will be announced within the next few days by the committee assigned to that part of the program.

YET HEARING LAND SUIT

Case of Hardy versus Crout in Land Suit Will Continue Throughout Today

The Court of Common Pleas for Anderson county is still wrestling with the case of Miss L. C. Hardy versus J. D. Crout and all indications are that the case will continue throughout the better part of today. This case was taken up Monday and notwithstanding the fact that the court has hurried it along as fast as may be, there is little prospect of its being completed before the noon recess today. It has not yet been placed in the hands of the jury. This action is over 420 acres of land in Savannah township and the hearing is proving of interest to many people, the court room being well filled at all times since the case was taken up.
